## India's Premier Expo on Grain Milling Industry.

ADAMAS Events Private Limited is a pioneer in event industry; After most successful grain exhibition in the history of event industry in Gandhinagar, Gujarat. We are all set to launch the 10th edition of our grain expo series.

India's premier technology oriented exhibition & conference on grain milling industry to be held on 25-26-27 February 2022 at Labh Ganga Convention Center, Indore, Madhya Pradesh (India). GrainEx India is supported by prestigious Indian agri and food organizations, adding the strength and value to the event such as All India Dal Mills Association, Madhya Pradesh Dal Udhog Mahasang and etc. Our aim is to make GrainEx India world's most preferred exhibition to cater the needs of both visitors as well as exhibitors.

Previously there were no such kind of platform present in Madhya Pradesh; we are therefore catering the growing needs of grain industry. There are more than 900 dal mills in Madhya Pradesh and Rajasthan, approx 250 soya bean mills, more than 110 chana mills, approx 500 rice mills and there are thousands of wheat and spices big traders and dealers and out of which more than 15% are in to processing and rest of them are having great interest in expanding their business. And more than 1200 flour mills are present in India.

We at GrainEx India nurture the growing needs of developing grain industry, we therefore at our best to create a platform to expand business and explore the market. Our passion translates in to a positive working relationship that reflects the true secret to our success we care about your business as much as you do.
