FrigorTec participated the first time at GrainEx, Indore, 2017. The venue was in excellent shape and the stall in good condition. The first day had a good attendance of visitors. The second day was excellent and we could generate good leads for upcoming projects. The third day was still good for a third day which is usually calm. All in all it was a good show for FrigorTec. We appreciated the effort of the organizer and consider to participate in the future again.
