Co- Organizer :

Earn The Opportunity to Enter India's Most Lucrative Market

India's Premier Expo on Grain Milling Industry.

ADAMAS Event Private Limited (AEPL) is established to cherish the fastest growing Indian Grain Milling Industry. AEPL, with all the privilege is here to announce the 17th edition of GRAINEX INDIA, with a vision to becoming the most preferred exhibition on grain industry to be held from **February 06 to February 08, 2026** at Shri Swaminarayan Mandir Parisar Ground, **Indore, Madhya Pradesh (India)**.

GrainEx India is supported by prestigious Indian agri and food organizations, adding the strength and value to the event such as All India Dal Mills Association, Madhya Pradesh Dal Udhog Mahasang, Madhya Pradesh Roller Flour Millers Association and etc. Our aim is to make GrainEx India world's most preferred exhibition to cater the needs of both visitors as well as exhibitors.

Previously there were no such kind of platform present in Madhya Pradesh; we are therefore catering the growing needs of grain industry. There are more than 1200 dal mills in Madhya Pradesh and Rajasthan, approx 300 soya bean mills, more than 160 chana mills, approx 600 rice mills and there are thousands of wheat and spices big traders and dealers in Madhya Pradesh and out of which more than 15% are in to processing and rest of them are having great interest in expanding their business. And more than 1200 Roll flour mills are present in India.

We at GrainEx India nurture the growing needs of developing grain industry, we therefore at our best to create a platform to expand business and explore the market. Our passion translates in to a positive working relationship that reflects the true secret to our success we care about your business as much as you do.

5 Reasons to Exhibit at GrainEx India.

Our exhibition gives plethora of benefits to your business. Collaborating with us helps you meeting new customers, reaching your existing clientele & building a relationship brand.

TECHNOLOGY EXHIBITED

- Grain Milling Plant/ Turnkey
- Gravity separator machines
- Cleaning machines
- Drying and husking machines
- De- Stoners
- Vibro separator machines
- Laboratory equipments
- Grain handling equipments
- Silo and storage systems
- Temperature and humidity control Systems
- Dust control systems
- Electrical panels & automation
- Grinding machines
- Screening machines
- Parboiling plants
- Abrasive wheels
- Air compressors
- Bag closing machines
- Boiler & turbine manufactures
- Color sorter machines
- Density & moisture measuring system
- Elevators/conveyers/V-belt
- Heat exchange
- Mills store & fabricators
- Packaging material & packaging machinery
- Rubber Rolls
- Water treatment
- Turbo- ventilation
- Software solution providers
- DG set manufacturer / dealers
- Energy transmission/gear boxes
- Logistics & distributions
- Pre engineered buildings
- Tarpaulin manufacture
- Weighing scales
- Certificate agencies/ consultants
- Government department
- Insurance & financial institutions & banks
- Pollution controlling equipments
- Solvent extraction plant
- Steel pipes & structure company
- Thread manufacturers

VISITOR PROFILE

- Owners, CEO and chief engineers and employees of all grain mills
- Professional managers, investors and employees of food companies which produce connected with wheat, flour, rice, pulses, spices, channa and peanuts sectors
- Chamber of commerce from various countries
- Distributors & selling agents
- Govt. officials & bodies
- Knowledge transferors
- Processing experts
- Research scientists and technologists
- Trade commissioners & consultants
